n Ogden this year will take place next Saiurday, at the Fair grounds. The game will be between the crack High school team and a team of All-Stars. The All-Star team will have Tibbets, a former Princeton player and "Bennie" Harker, and some local stars in the line-up.

Tibbets played a half-back post-on on Princeton for four years. The last three years that he was on the team he was chosen to a place on the All-American team by Camp, the greatest foot ball authority in America.

"Bennie" Harker is now coaching the Weber Academy athletes. For some years he played on the University of Utah team and was at that time considered the best man who ever played an end position in the state. Mark Murphy, of last year's High chool eleven has charge of the All-Stars and he says that they are going to win next Saturday.

Last night the All-Star team swiped using it for a foot ball, they went out under the arc light on Twenty-fifth street and held their first practice.

No deaths were reported. The High school boys have worked all the soreness out of their limbs and they are now in excellent early season trim. Several huskies hav joined the squad, and with constant reminders from the little paddle used by Coach Brown, the boys are begin ning to show plenty of speed.

HOLSTEIN CATTLE FOR THE REFORMATORY

Twenty-five head of fine registered Holstein cows have been purchased by the board of trustees of the State Industrial school for use at the institution. The selection of the cat tle was made by trustee John Walsh who was given authority to make the purchase by the board.

At the recent investigation of the

charges against superintendent H. H. Thomas it developed that there was an insufficiency of milk served the in-mates of the school. This was explained by the statement that a num-ber of cows bought by the state for the school were found to be suffering from tubercular trouble which rendered the milk unfit for consumption Superintendent E. G. Gowans in ad-

dition to other reform measures which he will introduce at the school has decided to put a ban on the use of coffee at the school for the inmates. Plenty of good rich milk will
